The StartUp Reader 5th Edition

Hello, My name is Robert Rodgers. I am an entrepreneur who has a small startup called VR Technologies. Fill in the missing information in the profiles for myself and my team at VR Technologies.

Robert Rodgers

Founder and President of VR Technologies

Before founding VR Technologies ten years ago, I was a consultant for the B2B IT firm, Tech Connections. I led a software development team that created custom software solutions for l_____ companies. I came to realize
物流
that these companies could benefit from the use of VR technologies and thus decided to l_____ my own startup. I feel my previous work
立ち上げる、設立する
experiences combined with my M_____ in Computer Science from
修士号
State University prepares me to ensure the long-term success of VR Technologies.

What are the questions that I should ask to fill in the employee profile card below?

Name: _____?

Title: _____?
